

# THREE COMPASSES

## “NEWS”

### Calling All Darts Players !

The Three Compasses Darts team has reached the Regional Finals in the “Punch Darts Classic” Tournament. They will be travelling to Twickenham on Sunday 25th Sept to play for a place in the National Finals and a chance to share in the £6,0000 prize money.

**As a result of their success so far** - we are hoping to enter a darts team in to a local league.

If you are interested in playing darts on a regular basis, please leave your details at the bar and we will contact you nearer the time.

### National Pub Quiz Competition

The Three Compasses' champion quiz team - “The Five Idiots” came third at the National Pub Quiz Regional finals - unfortunately their quest to become UK Pub Quiz champions ends there.

**Congratulations and Well Done for getting so far !**

### Pool League

We are presently recruiting new players for our pool teams - we had two teams in the Hornsey Journal Pool League last season. Some of our players have moved from the area so we need fresh blood in the teams.

If you are interested, leave your details at the bar and we will be in touch!

### Brain Blaster Quiz

The present season continues until 26th Sept - “The Red Hot trivia Peppers” are leading the league after 6 weeks. The Time Bomb Round jackpot has reached £200 having started from scratch at the beginning of the season and no team as yet being able to answer all 3 questions correctly.

### Live Acts

We are presently booking a new line up of live acts to perform at the Three Compasses between now and Christmas. We have already secured a number of good bands including the John Ongom Big Band who will be playing again by popular demand sometime in November.
